Congratulations
and celebrations
When I tell everyone that you're in love
with me
Congratulations
and jublations
I want the world to know I'm happy as can be.

Who could believe that I could be happy and
contented
I used to think that happiness hadn't been
invented
But that was in the bad old days before
I met you
When I let you
walk into my heart

Congratulations...

I was afraid that maybe you thought you
were above me
That I was only fooling myself to think you
loved me
But then tonight you said you couldn't live
without me
That round about me
You wanted to stay

Congratulations...

Congratulations
and jublations
I want the world to know I'm happy as can be
I want the world to know
I'm happy as can be
