You must have heard of a little Bo Peep  
She was the gal with all the sheep  
Well, one day, it's a sad to say  
Her sheep all ran away

She was lonely and she was blue  
She was sad and a crying too  
So I told her what to do  
I said, "Put on your dancing shoes"

Put on your dancing shoes  
Put on your dancing shoes  
Put on your dancing shoes  
And dance away your blues

Mmm, yeah, yeah  
A friend of mine had an accident  
Laughed so hard, off the wall he went  
A Humpty Dumpty was his name  
I guess you've heard the same

He was lying on the ground  
A bits and pieces all around  
So I told him what to do  
I said, "Put on your dancing shoes"

Put on your dancing shoes  
Put on your dancing shoes  
Put on your dancing shoes  
And dance away your blues

Mmm, yeah, yeah  
I'm sure you know about Jack and Jill  
They're the ones that went up the hill  
Jack fell down and a broke his crown  
And Jill came tumbling after

What a noise their crying made  
It was a ringing through the glade  
So I told them what to do  
And I changed their tears to laughter

Put on your dancing shoes  
Put on your dancing shoes  
Put on your dancing shoes  
And dance away your blues

Mmm, put on your dancing shoes  
Put on your dancing shoes  
Put on your dancing shoes
