I've had nothing but bad luck
Since the day I saw the cat at my door
So I came into you sweet lady
Answering your mystical call

Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
And I knew it was a spell she cast

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you from behind

Give me the ring on your finger
Let me see the lines on your hand
I can see me a tall dark stranger
Giving you what you hadn't planned

I drank the potion she offered me
I found myself on the floor
Then I looked in those big green eyes
And I wondered what I'd come there for

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you from behind
Stay away, look out

If you're out on a moonlit night

Be careful of them neighborhood strays
Of a lady with long black hair
Tryin' to win you with her feminine ways

Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
You'd better get out of there fast

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you

She's just a devil woman
With evil on her mind
Beware the devil woman
She's gonna get you
