4 o'clock I've been walking all night

It's the time
I always think of you.
If I could only see through my eyes

Then you'd know just what I'm going through.

Here am I
I'm taking a chance
In running around with stars in my eyes.
Here am I
I looking for you
Wondering why do I feel so blue.

I'm dreamin' - dreamin' of me and you

Oh I'm dreamin' - dreamin' will see me through

Never lettin' chances pass me by

I'm gonna dream you right into my life

Yeah
dream you right into my life.

Dreamin' - dreamin' will see me through
Woman
you better believe
that I'm dreaming you into my life.

5 o'clock still walking around
I call you up
but you just bring me down

I guess you' say I'm gettin' nowhere

In my dreams you always come around.

Here am I
I'm taking a chance

Walking on air
flyin' so high

Here am I
facing the truth

There's no other way
I'll ever make you mine.

I'm dreamin' - dreamin' of me and you
...

Dreamin' - dreamin' will see me through

Woman
you better believe
that I'll be dreaming you into my life

Woman
you got to believe me
woman

Oh
woman
you got to believe me
woman

I'll be dreaming you into my life

You got to believe me woman...
