If you should tell me that I'll always be,

The one you'll always love so true.

Then I can tell you I could easily,

"I could easily fall in love with you."

It wasn't long ago I saw you there.

But even then I thought I knew,

That given half a chance I'd easily,

"I could easily fall in love with you."

I've been too long on my ownsome now.

I've been too long by myself.

I couldn't feel more lonesome now.

If I was left on the shelf.

Don't ever change that smile you're smiling now.

And please don't let me see you blue.

Then I can tell you oh so easily,

"I could easily fall in love with you."

I've been too long on my ownsome now.

I've been too long by myself.

I couldn't feel more lonesome now.

If I was left on the shelf.

Don't ever change that smile you're smiling now.

And please don't let me see you blue.

Then I can tell you oh so easily,

"I could easily fall in love with you."
