I-i had a chance for glory
Ooh-ooh wouldn't tell you no lies
Same end on another story
I-i could have prophesised
I'd lose the prize

I-i'm gonna raid the future
Ooh-ooh and I wanna know why
Everything is so temporary
Ooh those I'll let you know eyes
I should have realized

I'm no hero
I won't get the glory
I'm the one who's left behind
I'm no hero
No place in your story
I'm the man who's left behind
I must have been blind
Must have been

I-i needed understanding
Ooh-ooh you didn't symphathise
Left me here-left without a warning

Ooh you left me paralysed
I-i should have realized

I'm no hero
I won't get the glory
I'm the one who's left behind
I'm no hero
No place in your story
I'm the man who's left behind
I must have been blind
Must have been...oh so blind ahh blind
-solo-
I'm no hero
I won't get the glory
I'm the one who's left behind
I'm no hero
No place in your story

I'm the man who's left behind
I must have been blind
Must have been
