Many a tear has to fall
But it's all in the game
All in the wonderful game
That we know as love

You have words with him
And your future's looking dim
But these things your heart can rise above

Once in a while he won't call
But it's all in the game
Soon he'll be there at your side
With a sweet bouquet

And he'll kiss your lips
And caress your waiting finger tips
And your heart will fly away

Once in a while he won't call
But it's all in the game
Soon he'll be there at your side
With a sweet bouquet

And then he'll kiss your lips
And caress your waiting finger tips
And your heart will fly away
And your heart will fly, fly away
