It's all over, didn't even cry
I just stopped living
When you said goodbye

It's all over, didn't feel a thing
I just stopped living
Couldn't stand the pain

Heather grows like leaves in September
Looks as fresh in spring
Love that warms like summer sun
Shouldn't die when winter comes

Heather grows like leaves in September
Looks as fresh in spring
Love that warms like summer sun
Shouldn't die when winter comes

It's all over, didn't even cry
I just stopped living
When you said goodbye
