It's in every One of us  
To be wise  
Find your heart  
Open up both your eyes  
We can all know everything  
Without ever knowing why  
It's in every One of us  
By and by

It's in every One of us  
To be wise  
Find your heart  
Open up both your eyes  
We can all know everything  
Without ever knowing why  
It's in every One of us  
By and by

It's in every One of us  
I just remembered  
It's like I've been sleeping for years  
I'm not aware as I can be  
But my seeing's better  
I can see  
Through the tears

I've been realising that  
I bought this ticket  
And watching only half of the show  
But there is scenery and lights  
And a cast of thousands  
Who all know what I know  
And it's good  
That it's so

It's in every One of us  
To be wise  
Find your heart  
Open up both your eyes  
We can all know everything  
Without ever knowing why

It's in every One of us  
By and by

It's in every One of us  
By and by
