Yeah, you better listen to me now,
I got something to say!

If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
You just, just leave my woman alone

Well, I know you are a playboy,
And you've got women all over town,
But listen, buddy, if you ever speak to my girl,
I'm gonna, I'm a gonna lay your body down

If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
You just leave my woman alone

Well, I know you've got your money,
And you've got a brand new ??? too,
But if I ever see my girl in your new car,
I'm gonna do some work, work on you

If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
You just leave my woman alone

I don't believe in trouble,
So I don't want to start a fight,
So you just take care and stay away from my little girl,
Everything, everything'll be all right

If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
If you don't want, you don't have to, get into trouble,
You just, you just stay away from my girl

Aw!
I'm warning you now,
You better stay away from my girl,

Ah! You better stay away from my girl,
Leave my woman alone!
Aw! You better listen to me now,
Aw! Leave my woman alone!
Yeah! Yeah!
