We'll walk the streets with hearts of fire  
And every step will be a prayer  
Hope is rising, new day dawning  
The sound of singing fills the air

Two thousand years and still the flame  
Is burning bright across the land  
Hearts are waiting. Longing, aching  
For awakening once again

Let the flame burn brighter in the heart of the darkness  
Turning night to glorious day  
Let the song grow louder as our love grows stronger  
Let it shine  
Let it shine

We'll walk the truth, speak out the love  
In Jesus' name we shall be strong  
To lift the fallen, to save the children  
To flood the nation with a song

Let the flame burn brighter in the heart of the darkness  
Turning night to glorious day  
Let the song grow louder as our love grows stronger  
Let it shine  
Let it shine (repeats)
