Look homeward, angel

Tell me what you see

Do the folks I used to know  
remember me?

Look homeward, angel

Eye my lady fair

Does she dream about the love  
we used to share?

So she'll know how very much I miss her

Angel, while she's dreaming,  
won't you kiss her?

Look homeward, angel

One thing I must know

Do her empty arms still yearn  
for me alone?

So she'll know how very much I miss her

Angel, while she's dreaming,  
won't you kiss her?

Look homeward, angel

One thing I must know

Do her empty arms still yearn  
for me alone?

Do her empty arms still yearn for me alone?
