Five days a week I'm just abiding my time
Fill in the hours till the weekend's mine
All day long I've got my radio on
Keeps me going till my work is done

Monday through to Friday
Nothing goes my way
Just working staying alive

Monday through to Sunday
There's only one day
Saturday is rock 'n' roll time

Work for the man just to get my pay
Too many hours in the working day
Dead on my feet but I need the cash
Roll on Saturday make it fast

Monday through to Friday
Nothing goes my way
Just working staying alive

Monday through to Sunday
There's only one day
Saturday is rock 'n' roll time

I pay my dues to the union man
Don't get too heavy, that's the way I am
I live for rock 'n' roll and Saturday night
I hear the music and I feel alright, feel alright

Monday through to Friday
Nothing goes my way
Just working staying alive

Monday through to Sunday
There's only one day
Saturday is rock 'n' roll time
