The night is like a lovely tune
Beware, my foolish heart
How white, the ever constant moon
Take care, my foolish heart

There's a line between love and fascination
That's hard to see on an evening such as this
'Cause they both give the very same sensation
When you're lost in the magic of a kiss

His lips are much too close to mine
Beware, my foolish heart
But should our eager lips combine
Then let the fire start

'Cause this time it isn't fascination
Or a dream that will fade and fall apart
It's love this time, it's love, my foolish heart
My foolish heart

His lips are much too close to mine
Beware, my foolish heart
But should our eager lips combine
Then let the fire start

'Cause this time it isn't fascination
Or a dream that will fade and fall apart
It's love this time, it's love my foolish heart
It's love this time, it's love my foolish heart

My foolish heart
My foolish heart
My foolish heart
