I can think of nothin' better  
Than dancin' on the beach  
See a girl, you can go and get her  
All your troubles will be out of reach

On the beach, you can dance to a rock 'n' roll  
On the beach, here the Basanova played with soul  
On the beach, you can dance and twist and shout  
On the beach, everybody hear me come on out  
On the beach, come on everybody stomp your feet  
On the beach, you can dance with anyone you meet  
Cos all your troubles are out of reach  
On the beach

Mmmm, this is fun  
Mmmm, I won't you tell me I'm the one you're gonna  
dance with  
Yeah, Basanova  
Mmmm, this is fun  
Mmmm, now I know you're the one I'm gonna dance  
with  
Yeah, twist and shout now

You can do the dance that you want to  
With anyone that you meet  
And if the Basanova doesn't get you  
The Twist'll have you on your feet

On the beach, you can dance to a rock 'n' roll  
On the beach, here the Basanova played with soul  
On the beach, you can dance and twist and shout  
On the beach, everybody hear me come on out  
On the beach, come on everybody stomp your feet  
On the beach, you can dance with anyone you meet  
Cos all your troubles are out of reach On the beach
