Well, I need you now, to show a little tenderness,  
And I, I need your love, I need your sweet caress,  
'Cause I, gonna be lonely here tonight,  
I'm gonna be missing holding you tight

When all I need to feel is your tenderness,  
So let me be with you tonight,  
Anybody else could see I'm gonna be blue,  
Without you

One night with you,  
Can I ask you, tonight, Ask you tonight,  
What would I do,  
For your answer tonight, to be yes tonight,  
One night, to last forever,  
One dream, we'll dream together,  
If I had my life to spend with you

Well, my love gets stronger all the time,  
And I, I know that someday soon, you will be mine,  
So don't leave me lonely here tonight,  
I wanna be with you, holding you tight

I really need to feel your tenderness,  
So let me be with you tonight,  
Anybody else could see I'm gonna be blue,  
Without you

One night with you,  
Can I ask you, tonight, Ask you tonight,  
What would I give, all that I need to live,  
For your answer tonight, to be yes tonight,  
One night, to last forever,  
One dream, we'll dream together,  
If I had my life to spend with you

The feeling won't stop there, (no, no)  
It goes right on and on, (goes right on and on)  
The feeling won't stop there, (no, no)  
Keeps on getting stronger, and stronger,  
and stronger,

and stronger,  
and stronger,  
and stronger,  
and stronger...

One night, to last forever,  
One dream, we'll dream together,  
If I had my life to spend with you,  
If I had my life to spend with you
