Go swiftly  
The flags and drums can hypnotize  
When glory has faded  
The dream is worth more than the prize

A twisting turning flame  
And a freedom burning bright  
Knows all of the names and all of the games  
Of the yellow, black and white

We've gotta have faith to work it out  
Faith and hope without any doubt  
Give us strength to make a start  
Put a song in our hearts

We're never gonna break down these walls  
And build a prison with the stone  
'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune  
Turning water into wine  
We're gonna take love and make it shine  
We're gonna find peace in our time

Softly, softly  
When there is lightening in the sky  
When the rivers are rising  
And trouble rolls in on the tide

We'll keep on keeping on  
'Til all the tears are dry  
We'll weather the storm and welcome the dawn  
Of tomorrow you and I

We've gotta have faith and get it fast  
Faith and hope and make it last  
Give us strength to reach the stars  
Put a song in our hearts

We're never gonna break down these walls  
And build a prison with the stone

'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune  
Turning water into wine  
We're gonna take love and make it shine  
We're gonna find peace in our time

We're raisin' the dust  
It's heaven or bust  
And we'll see this dream come true

We're gonna have faith  
(Faith)  
The road will be long but there's hope  
(Hope)  
To carry us on  
We'll have strength, we'll never go wrong  
(Strength)  
With this song in our hearts

We're never gonna break down these walls  
And build a prison with the stone  
'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune  
Turning water into wine  
We're gonna take love and make it shine  
We're gonna find peace in our time

At the sign of the dove  
(Sign)  
It's gonna shine  
(Shine)  
Shine  
(Shine)  
Shine  
(Shine)

On a wing and a prayer  
We'll be fine  
Fine  
Fine

We're never gonna break down these walls  
And build a prison with the stone  
'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune

Turning water into wine  
We're gonna take love and make it shine  
We're gonna find peace in our time

We're never gonna break down these walls  
And build a prison with the stone  
'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune  
Turning water into wine  
We're gonna take love and make it shine  
We're gonna find peace in our time

We're never gonna break down these walls  
And build a prison with the stone  
'Cos you and I know what love is worth  
We're gonna build heaven on earth

We're running in the wheels of fortune
