I've Got it,
(Got What?)
Got this bus ??? and transports, okay,
(Okay? Okay to what?)
Okay to use this bus for transport on a holiday,
They're with it,
(With what?)
With the plan I have landed them today,
(What Plan?)
(That's right, what plan?)
We can do it once they'll back us all the way

Seven days to a holiday,
And there's such a lot to do,
Come on, fellows, it's up to you,
We're in an awful stew,
Get us out of this spot,
Are you with us or not?
(Voices of agreement)

Six days to a holiday,
And this bus must look like new,
Shining bright as a birthday gift,
Give it a real face and it's body will sheen,
Of a top beauty queen

Five more day, just five more days, to fix up dozens of things,
Let's spring clean it from front to rear,
(Yes, I've cleaned all the springs)

Four days to a holiday,
And we know before we're through,
Our bus will be safer than any bank,
Tough as an army tank,
(We will check everywhere)
Though it's hard to get there

Three days to a holiday,
And those sunny skies of blue,
By the time that it leaves our shed,

Our bus will be bright red,
And we know that we will...
Make Paree redder still

Two days to a holiday,
All of the inside to do,
So this old London bus can pass,
As a hotel, first class,
We'll make everything fit,
Including...
(Ah, yes, that's it)

One more day, just one more day, so we must not
waste an hour,
Come on, let's get the plumbing in,
Cor blimey, what a shower

Off we go on a holiday,
And it's you we have to thank

Fellas, I cannot thank you enough for helping us with
our bus.
