"She's Gone"

I give her all my love
That's all I do
And if you saw my love
You'd love her too
I love her
She gives me everything
And tenderly
The kiss my lover brings
She brings to me
And I love her

Al ove like ours
Could never die
As long as I have you near me

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her
