Go slow, don't run  
Girl, I know the best is yet to come  
If you just smile  
It makes every single moment worthwhile  
You glow, you shine  
Whatcha doin' to this heart of mine  
When love comes along  
Ain't no question if it's right or wrong  
We're holding on

Till the snow falls on the sahara  
And the sun freezes over  
When the mojave red turns into blue  
When my lungs get tired of breathing  
And my heart stops it's beating  
I'll stop loving you

No rush, I'll wait  
Love is timeless, there's no being late  
You should know, always there

Till the last day of forever, I swear  
I'll be there

Till the snow falls on the sahara  
And the sun freezes over  
When the mojave red turns into blue  
When my lungs get tired of breathing  
And my heart stops it's beating  
I'll stop loving you  
When the mojave red turns into blue  
When the music's no longer playing  
And the faithless start praying  
I'll stop loving you

I don't want to miss a single heartbeat  
But sometimes the words get in the way  
But I hear your voice just fine
