Go slow, don't run
Girl, I know the best is yet to come
If you just smile
It makes every single moment worthwhile

You glow, divine
Watcha doin' to this heart of mine?
When love comes along
Ain't no question if it's right or wrong, we're holding on

Till the snow falls on the Sahara
And the sun freezes over
When the Mojave red turns into blue

When my lungs get tired of breathing
And my heart stops its beating
I'll stop loving you

No rush, 'cause I'll wait
Love is timeless, there's no being late
You should know, always there
Till the last day of forever, I swear I'll be there

Till the snow falls on the Sahara
And the sun freezes over
When the Mojave red turns into blue

When my lungs get tired of breathing
And my heart stops its beating
I'll stop loving you
(And it's gonna be a long time)

Till the snow falls on the Sahara
And the sun freezes over
(No snow)
When the Mojave red turns into blue
(No lights)

When the music's no longer playing
And the faithless start praying
I'll stop loving you

I don't want to miss a single heartbeat
Sometimes the words get in the way
But I hear your voice just fine
Just fine
Oh, no longer playing

Till the snow falls on the Sahara
And the sun freezes over
When the Mojave red turns into blue
(It's gonna be a long time)

When my lungs get tired of breathing
And my heart stops its beating
(Then I'll stop loving you)

Till the snow falls on the Sahara
(No snow)
And the sun freezes over
([Incomprehensible])
When the Mojave red turns into blue
(Oh, no longer, no longer playing)

When the music's no longer playing
And the faithless start praying
I'll stop loving you
