I have seen you smile  
At the accidental touch of my hand  
A secret grin  
There's a covert light in your eyes  
When I walk in the room  
Yeah I caught you  
Babe you can't run from the truth  
You cannot tell me a lie

'cause girl you have to show me why  
This is not our time  
When all the evidence is sayin' that you're wrong  
Somethin' is goin' on

I have felt my heart skip a beat  
At the sound of your name  
I turn away  
'cause you can read my bad poetry  
That I've tried to erase  
But it's written on my face  
I cannot run from the truth  
And I don't believe in lies

But girl you have to show me why  
This is not our time  
When all the evidence is sayin' that you're wrong  
Somethin' is goin' on

On top of some mountain  
I'll scream it, I'll shout it  
I love you, you love me  
How can that be wrong  
Somethin' is goin' on

I cannot run from the truth  
And I don't believe in lies

Girl you have to show me why  
This thing will not work  
When all the evidence is sayin' that you're wrong  
Somethin' is goin' on

Girl you have to show me why  
This is not our time  
When all the evidence is sayin' that you're wrong  
Somethin' is goin' on
