Well, I heard you weren't stayin'  
Heard you weren't stayin' around  
That someone has gotten to you  
Something 'bout a new kid in town

Well, stranger things have happened  
Stranger things have happened in love  
But the more I think about it  
The more I see that you are a victim of

Well, don't believe everything they say  
They're only jealous of you  
How people talk when they don't know the truth  
Don't ever let them get to you

My love is stronger than that  
My love is poetry in motion  
My love is deeper than that  
My love is deeper than the ocean

Well, if anyone should harm you  
Anyone should get in your way  
And you need someone to talk to  
Please call me right away, right away

Let them all listen  
Listen to the new kid in town  
Well, it's the same old story  
The story's been around and around

So don't believe everything they say  
They're only jealous of you  
How people talk when they don't know the truth  
Don't ever let them tell you what to do

My love is stronger than that  
My love is poetry in motion  
My love is deeper than that  
My love is deeper than the ocean

And it's gettin' deeper  
And it's gettin' stronger

So don't believe everything they say  
They're only jealous of you  
How people talk when they don't know the truth  
Don't ever let them tell you what to do, no

My love is stronger than that  
My love is poetry in motion  
My love is deeper than that  
My love is deeper than the ocean

My love is stronger than that  
My love is poetry in motion  
My love is deeper than that  
My love is deeper than the ocean

Ah, my love is deeper than deeper  
My love is gettin' deeper  
Deeper and deeper and deeper  
My love is gettin deeper, deeper
