She walks in and I'm suddenly a hero
I'm taken in, my hopes begin to rise
Look at me, can't you tell I'd be so thrilled
To see the message in your eyes

You make it seem I'm so close to my dream
And then suddenly it's all there

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
'Cause I, I'm ready to take all my chances with you

And how can I feel you're all that matters
I'd rely on anything you say
I'll take care, no illusions shatter
If you dare to say what you should say

You make it seem I'm so close to my dream
And then suddenly it's all there

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
'Cause I, I'm ready to take all my chances with you

Why do I feel so alive when you're near
There's no way any hurt can get through
Longing to spend every moment of the day with you,
with you

Suddenly the wheels are in motion
And I, I'm ready to sail any ocean
Suddenly I don't need the answers
'Cause I, I'm ready to take all my chances with you
