You are my theme for a dream
Yes you are, a rare and lovely theme
(You're a theme for a dream)

The dreams I dream day and night
That your arms are holding me so tight
(You're a theme for a dream)

When I dream I kiss you
(Kiss you)
Music fills with starlight
(Starlight)

Every time I touch you
(When I touch you)
Each and every time
A chime rings out I love you
Only you for ever more

'Cause you're my theme for a dream
Yes you are, a rare and lovely theme
(You're my theme for a dream)

So, angel please say that you love me too
And make my dreams come true dream
(You're my theme for a dream)

When I dream I kiss you
(Kiss you)
Music fills with starlight
(Starlight)

Every time I touch you
(When I touch you)
Each and every time
A chime rings out I love you
Only you for ever more

'Cause you're my theme for a dream
Yes you are, a rare and lovely theme
(You're my theme for a dream)
So, angel please say that you love me too

And make my dreams come true dream

And make my dreams come true
Please make my dreams come true
