[Aaliyah]

What would you do to get to me  
What would you say to have your way  
Would you give up or try again  
If I hesitate to let you in  
Now would you be yourself or play a role  
Tell all the boys I keep your love  
If I say no would you turn away  
Or play me off or would you stay, ohh, oh

[Aaliyah]

And if at first you don't succeed, first you don't  
succeed  
Dust yourself off and try again  
You can dust it off and try again, try again  
Cos if at first you don't succeed, first you don't  
succeed  
You can dust it off and try again  
Dust yourself off and try again, try again

[Aaliyah]

I'm into you you into me  
But I can't let it go so easily  
Not till I see what this could be  
Could be eternity or just a week, oh  
Ay, yo our chemistry is off the chain  
It's perfect now but will it change  
This ain't a yes this ain't a no  
Just do your thing we'll see how we go, ohh, oh

[Aaliyah]

And if at first you don't succeed (yeah)  
Dust yourself off and try again (again)  
You can dust it off and try again, try again (yeah)  
Cos if at first you don't succeed (ooh)  
You can dust it off and try again (try again)  
Dust yourself off and try again, try again (yeah)

[Aaliyah]

Said you don't wanna throw it all away  
I might be shy on the first date

What about the next date  
Ohh, ohh, ohh, ohh  
Said you don't wanna throw it all away  
I might be buggin on the first date  
What about the next date  
Ohh, ohh, ohh, ohh

[Aaliyah]  
And if at first you don't succeed  
Dust yourself off and try again  
You can dust it off and try again, try again  
Cos if at first you don't succeed (first you don't  
succeed)  
You can dust it off and try again  
Dust yourself off and try again, try again (again, again)

[Sin]  
If I burn anything I'm burnin the track  
The remix and y'all gon' be spinnin it back  
Like one two, me and Tim spittin it up  
Like twist? Philly livin it up  
Crash the bar in the Jaguar  
With no crash a one-ninety flash car  
Livin the life so I spit on the dice

[Sebastian]  
Like send us a bash and ain't treatin em right  
Like keep a stash that's the number one law  
And here's the coach back I wanna be up in your bra  
Gave your friends competence sprayin the John Paul  
Hennessey's and when I leave I don't go to the mall  
I take you to a place with fur coats and stores  
Put your hands in some gloves, put that Christian Dior  
With the snow caps, Gucci frames, push back  
In the Cadillac, black that, now watch your back

[Aaliyah]  
Ohh, yeah, yeah  
Baby, hey, yeah  
Again, again  
Ohh

[Aaliyah]  
And if at first you don't succeed (first you don't  
succeed)  
Dust yourself off and try again  
You can dust it off and try again, try again  
Cos if at first you don't succeed (first you don't  
succeed)  
You can dust it off and try again  
Dust yourself off and try again, try again (again, again)

[Timbaland]  
It's been a long time  
We shouldn't a left you, left you  
Without a dope beat to step to  
Step to, step to, step to, step, step to, step to, fricky  
fricky

[Timbaland]  
It's been a long time  
We shouldn't a left you, left you  
Without a dope beat to step to  
Step to, step to, step to, step, step to, step to, fricky  
fricky
