Visions of you in shades of blue

Smoking, shifting, lazily drifting,  
My darling, I miss you so.

Time goes by, no wonder my  
Senses go reeling, your eyes so appealing  
I see the whole night through.

When will we meet again? When? When? When?  
When will we meet again? When? When? When?

I remember the days, beautiful days  
Tenderly gleaming, my whole life seeming  
To start and end with you.

Visions of you in shades of blue  
Smoking, shifting, lazily drifting,  
My darling, I miss you so.

When will we meet again? When? When? When?  
When will we meet again? When? When? When?

I remember the days, beautiful days  
Tenderly gleaming, my whole life seeming  
To start and end with you.
