When the girl in your arms is the girl in your heart,
Then you've got everything,
When you're holding the dream, you've been dreaming
you'd hold,
You're as rich as a king,

So hold her tight and never let her go
Day and night let her know you love her so.

With the love of your life, spend a lifetime of love
Make her yours forevermore (key change)

8 bars guitar/piano solo

So hold her tight and never let her go
Day and night let her know you love her so.

With the love of your life, spend a lifetime of love
Make her yours forevermore...
Make her yours forevermore....
