Whenever God shines his light on me
Opens up my eyes so I can see
Cliff Richard When I look up in the darkest night
Then I know everything's going to be all right
Van Morrison In deep confusion in great despair
When I reach out for him he is there
Cliff Richard When I am lonely as I can be
Then I know that God shines his light on me
Van Morrison Reach out for him
Cliff Richard Reach out for him
Van Morrison He'll be there
Cliff Richard He'll be there
Van Morrison With him you troubles
Cliff Richard With him you troubles
Van Morrison You can share
Cliff Richard You can share
Van Morrison If you live
Cliff Richard And if you live
Van Morrison The life you love
Cliff Richard The life you love
Van Morrison You get the blessing
Cliff Richard Yeah
Van Morrison From above
Cliff Richard From above
Both He heals the sick and he heals the lame
Says you can do it too in Jesus' name
Van Morrison He'll lift you up and he'll turn you around
And put your feet back
Cliff Richard Feet back
Van Morrison On higher ground
Cliff Richard Higher ground
Van Morrison When he shines his light
Whenever God shines his light on you on you
Cliff Richard He is the way he is the truth
He is the light ooh
Put your feet back
Put your feet back
Higher ground
Put your feet back
Put your feet back on higher ground
Put your feet back on higher ground

Put your feet back
