I want the people to know that He saved my soul  
But I still like to listen to the radio  
They say that rock and roll is wrong, we'll give you  
more chance  
I say I feel so good I gotta get up and dance

I know what's right, I know what's wrong  
And I don't confuse it  
Why should the devil have all the good music?  
I feel good every day  
'Cause Jesus is the Rock and He rolled my blues away

Well now they say to cut my hair they're driving me  
insane  
I grew it out long to make room for my brain  
But sometimes people don't understand  
What's a good boy doing in a rock and roll band

There's nothing wrong with playing blues licks  
But if you got a reason tell me to my face  
Why should the devil have all the good music?  
There's nothing wrong with what we play  
'Cause Jesus is the Rock and He rolled my blues away

Roll 'em away now

I ain't knocking the hymns  
Just give me a song that has a beat  
No I ain't knocking the hymns  
Give me a song that moves my feet

Jesus told the truth, Jesus showed the way  
There's one more thing I'd like to say  
They nailed Him to a cross and they laid Him in the  
ground  
But they should've known they can't keep a good man  
down

And I feel good every day, I refuse to lose it  
All I wanna I know from all of you is  
Why should the devil have all the good music?  
'Cause I been filled I feel okay because

Jesus is the Rock and He rolled all my blues

Jesus is the Rock and He rolled all my blues

Jesus is the Rock and He rolled all my blues
