I like small speakers, I like tall speakers
If they've music they've wired for sound

Walkin' about with a head full of music
Cassette in my pocket and I'm gonna use it
Stereo out on the street you know, woh oh woh

Into the car go to work I'm cruisin'
I never think that I'll blow all my fuses
Traffic flows into the breakfast show, woh oh woh

Power from the needle to the plastic
A.M., F.M. I feel so ecstatic now
It's music I've found and I'm wired for sound

I was small boy who don't like his toys
I could not wait to get wired for sound

I met a girl and she told me she loved me
I said you love me then love means you must like what I
like
My music is dynamite, woh oh woh

She said, "I'm not a girl you put on at a stand by
I am a girl who demands that her love is amplified
Switch in to overdrive, woh oh woh"

Power from the needle to the plastic
A.M, F.M I feel so ecstatic now
It's music I've found and I'm wired for sound

Power from the needle to the plastic
A.M, F.M I feel so ecstatic now
It's music I've found as I'm wired for sound

I like small speakers, I like tall speakers
If they've music they've wired for sound
I like small speakers, I like tall speakers
If they've music they've wired for sound

I like small speakers, I like tall speakers
If they've music they've wired for sound

I like small speakers, I like tall speakers
Wall speakers most of all I like loud speakers
