Birds in the sky
Flying way up high
Mmm, they seem to sigh
It's a wonderful life

Fish in the sea
All born to be free
Yes, they all agree
It's a wonderful life

All over the world
In the heart of each boy and girl
You will find treasure there
Waiting to be unfurled

So follow the sun
And you'll have lots of fun
And then you will see
It's a wonderful life

Go to the places
That you've never been
See all the people
That you've never seen

Do all the things that you do
In your dreams
And you'll see
It's a wonderful life

All over the world
In the heart of each boy and girl
You will find treasure there
Waiting to be unfurled

So follow the sun
And you'll have lots of fun
And then you will see
It's a wonderful life

Go to the places
That you've never been

See all the people
That you've never seen

Do all the things that you do
In your dreams
And you'll see
It's a wonderful life

A wonderful life
It's a wonderful life
