Oh, oh...

She shot a hole in my soul
I'm walking all over town
Calling her name and trying to find her
She shot a hole in my soul, yeah
I'm walking all over town
Knocking and beating on every door

Some pity me
And people start to cry
One man said he helped me
But I thanked him and said goodbye

But I've got to keep on trying, Lord
I'm going crazy, 'bout to lose my mind
I've got to keep on trying, yeah
I'm going crazy, 'bout to lose my mind

My heart says
Without a love, you're dying
Baby, baby, baby
Can't you hear me crying

Say, ohh, ohh, oh
Help me somebody, yeah

I walked into a club, jumped up
And grabbed the microphone
I asked the man leading the band
To let me sing my song

My heart says
Without a lover you're dying
Baby, baby, baby
Can't you hear me crying

Say, ohh, come on, y'all, ohh

She shot a hole in my soul and
I'm going crazy, 'bout to lose my mind
She shot a hole in my soul

Yes, she did, y'all
I'm walking all over town
Calling her name and trying to find her

She shot a hole in my soul
Yes, she did, y'all
I'm going crazy, 'bout to lose my mind
