You walked into the room  
Sat down on the chair  
Didn't say anything  
Didn't look anywhere  
Poured the coffee in the cup  
Took the jug off the tray  
Poured the milk in the coffee  
Drank the cafe au lait  
You lit a cigarette up  
And just stared into space  
And a tear from your eye  
Left a mark on your face  
You took your handkerchief out  
And brushed the tear away  
Put the cups in the sink  
And the coffee away  
Checked the time on your watch  
Put the milk in the fridge  
Ran the water to hot  
Then you washed up the cups  
You took your coat off the hook  
And you opened the door  
And walked out of my life.

### INSTRUMENTAL

The sun was shinin' brightly  
No clouds in the sky  
People talkin' outside  
And the traffic went by  
All the world was hurryin' on  
Just as if there was nothing wrong.

You walked into the room  
Sat down on the chair  
You didn't say anything  
Didn't look anywhere  
Poured the coffee in the cup  
Took the jug off the tray  
Poured the milk in the coffee  
An' drank the cafe au lait  
You lit a cigarette up

And just stared into space  
And a tear from your eye  
Left a mark on your face  
You took your handkerchief out  
And wiped the tear away  
Put the cups in the sink  
And the coffee away  
Checked the time on your watch  
Put the milk in the fridge  
You ran the water to hot  
Then you washed up the cups  
You took your coat off the hook  
And you opened the door  
And walked out of my life.
