Nothin' new
Nothin' planned and nothin' left to chance
Only you and me adrift
And knowin' at a glance
And it all turned out confusin' at the end
When we let it get too bland
Everythin' got out of hand
An' it all became confusin' at the end.

Nothin' new
Nothin' sad nor even slightly planned
Only you and me who thought
That we could build on sand
And we both look less than winners after all
When we let it go too far
All the signs were in the stars
And it all seemed far from winnin'
After all.

I shouldn't ask I know
But what am I supposed to do now?
If I let you go, you know it's wrong
But I can't fight it.

Nothin' new, nothin' changed
And nothin' quite the same
Only you and me who ventured all
And nothin' gained
And it all looked so confusin' at the end
When we let it get too bland
Everythin' got out of hand
An' it all became confusin' at the end
Yes I knew that I was losing
After all.
