Good night close your eyes
Sleep tight grow up wise
Dream of all the fun we had.

Don't cry dry your eyes
Mummy wouldn't like it
If she knew that you were sad.

An' I'll take you out tomorrow
'N' buy you something new
And the sun will shine tomorrow
If you ask it to.

Good night close your eyes
Sleep tight grow up wise
Leave the worryin' to me.

Good night close your eyes
