Lately you are the girl I'm dreaming about  
And if I should venture to say  
Would you think me too forward or something like that  
Would you turn me away?

Maybe I'm right, maybe I'm wrong  
But I get the feeling your love could be strong  
I might be misled, these feelings wasted  
So why don't you guide me and be mine tonight,  
tonight  
Simply, you are the girl I cannot erase  
For me there can be no doubt  
No matter what I do, my mind is amazed  
And you are the only way out

Maybe I'm right, maybe I'm wrong  
But I get the feeling your love could be strong  
I've waited alas but love has no compass  
Why don't you guide me and be mine tonight

Tonight, tonight  
Tonight, tonight  
Tonight, tonight  
Tonight, tonight
