Sympathy is what you see in me
Is that all I'm good for?
What's more, I think you think I'm just your friend.

I'll be concise, I think you're nice
Entice me to be something else
Or else I think this friendship has to end.

'Cause I wanna be your lover baby
Wanna to be your lover baby
Wanna be your lover right away
An' I'm tired of hearing what you have to say.

Don't be naive can't you perceive
That I believe in you it's true
You're always treating me indifferently.

So if you cry I'll say goodbye
Unless you try some sympathy on me
Just for a change act differently
You know you can.

'Cause I wanna be your lover baby
Wanna be your lover baby
Wanna to be your lover right away
An' I'm tired of hearing what you have to say.

INSTRUMENTAL

'Cause I wanna be your lover baby
Wanna be your lover baby
Wanna be your lover right away
An' I'm tired of hearing what you have to say.

Yes I wanna be your lover
Wanna be your lover
Wanna be you lover right away.
