Ooo bab shoo wab shoo wah, ah shoo be doo be doo be
Ooo bab shoo wab shoo wah, ah shoo be doo be doo be

I'm kinda tired - oh oh oh oh
Of singing along on somebody else's song
I'd like to be a big star too
I've had my fill of shoo be doo be doo.

I make a living - oh oh oh oh
But that's about all, I get no curtain call
Nobody seems to know my name
An' shoo be doo be doo be doo's to blame.

Oh won't some record company man
Come and take a chance on me
I got some songs and I'm sure that I can
Project my personality.

Till things get better - oh oh oh oh
I'll carry on - the way I've always done
Dejected vocal session man
And leave you with a babber shoo wa bam.

Ooo bab shoo wab shoo wah, ah shoo be doo be doo be
Ooo bab shoo wab shoo wah, ah shoo be doo be doo be

Ooo bab shoo wab shoo wah, ah shoo be doo be doo be
Ooo bab shoo wab shoo wah, ah shoo be doo be doo be
(Repeat and fade).
