With Sonny Geraci

If you believe in dreams enough  
Then they'll believe in you  
That's what you used to tell me  
So I know it must be true

So, day after day  
I'm dreaming you'll  
Come back to me

Cause you are  
Life and breath to me  
All of the best of me  
Depends on you

I'll buy your favorite flowers  
From the lady down the street  
And hurry to the corner  
Where we always used to meet

And night after night  
I sit and watch the petals fall

And you are  
Life and breath to me  
All of the best of me  
Depends on you

They say I  
Should be forgetting you  
But how can I forget  
The moon and the stars  
All the heavens of blue  
Cause they're all  
Just a part of you

If you believe in love enough  
Love will never die  
That's what you used to tell me  
So I know it's not a lie

So, time after time  
I'll come here  
And I'll wait for you  
I guess I'll always wait for you

Cause you are  
Life and breath to me  
All of the best of me  
Depends on you

Oh, you are  
Life and breath to me  
All of the best of me  
Depends on you

Yeah, you are  
Life and breath to me  
All of the best of me  
Depends on you
