Spokesmen for the planets!
Distant, dark, mischievous!
Wizard of all wizards!
Emperor of magic!
Originator of sorcery,
Can you see our destiny?
In waters of eternity

MERLIN! (x4)

Magic is as... real as someone...
Who believes it... isssss
Leave behind the... body as you
Try the wings... of your mind

Soar... through the cosmic heavens
To places... where it has yet to be said,
"Let There Be Liiiiight!"
YEAH!

(Solo)

Rhythmic patterns fly
Gliding, sailing
Ship of my imagination
Setting sail on... every tide in
Eagerness to discover
She billows her sails
And head into a new wind

Spokesmen for the planets!
Distant, dark, mischievous!
Wizard of all wizards!
Emperor of magic!
Originator of sorcery,
Can you see our destiny?
In waters of eternity

MERLIN! (x4)

YEAH! YEAH! YEAH! WOOOOOOHOOO!
