How many special people change  
How many lives are living strange  
Where were you when we were getting high?

Slowly walking down the hall  
Faster than a cannonball  
Where were you when we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova  
In the sky..

Continuation (full version):

Wake up the dawn and ask her why  
A dreamer dreams she never dies  
Wipe that tear away now from your eye  
Slowly walking down the hall  
Faster than a cannonball  
Where were you when we were getting high?

[complete change]  
Cos people believe that they're  
Gonna get away for the summer  
But you and i, we live and die  
The world's still spinning round  
We dont know why, why?
