Family of Me

How great I am
Gotta tell myself, yeah
I'm the man
Looks grim right now
but pretty soon we'll be laughing about it
Ooh, and it's alright
Yeah it is, I swear you'll see
(it's not really)
Yeah it's alright
Cuz I've always got my family of me
It's not a first
(might be the last)
Yeah I'm sure I
must have been through worse, but
Ooh, it's alright
Got a paddle and a creek
Yeah and it's alright
Cuz I've always got my family of me
