Judy, could anyone  
Be loved any more?  
Than I love you  
Does it hurt you too?

And Judy I've been feeling  
Small too long  
I love you so  
But something's wrong

And I come running  
When you want me here  
And when you want me to  
I disappear, Judy

I knew if I made it easy for you  
You'd settle for me  
Yeah, eventually

But Judy I can't be  
Myself anymore  
It's way too hard  
Being loved by default

And I can't do this any longer  
The vacuum left  
Is so much stronger, Judy

Judy, you know  
I'm not mad anymore  
At least most of the time  
But it could take a while

And I've been living  
Just to see you smile  
Every once in a while

Tears fall but that don't  
Mean nothing at all  
Just 'cause I said it first  
Yeah, that's why it hurts ya

And Judy I won't be  
Your bitch anymore  
And follow you 'round  
And hold the door

And I'm not sorry  
If you're not sorry  
And you're not sorry  
'Till I make you, Judy, Judy

Give Judy my notice  
Give Judy my notice
