turn up the music
thanks!

I paid my money
and I'm gonna see all the movie
I paid my money
and I'm gonna see all the movie

and it's gonna be good
I'm telling you people
it's gonna be real good,
'cause I paid my money
I paid my money

bring it on!
yeah!

I see people leaving early
they don't know what they're missing,
they don't know what they're missing —
they're missing half the movie

and I'll not be screwed —
I'll not be screwed
like the people leaving early,
'cause I paid my money,
I paid my money

I paid!
I paid!
I paid!

roll up the windows

I hear a tale about a store
where pain's for free
and if I ask for more
I don't pay my money

and it's terrible pain
and it's all for free
and if I ask for more

they're gonna give it to me

[I'll not be screwed]
I'll not be screwed
[I'll not be screwed]
[like the people leaving early]
[I'll not be screwed]

funky bass
yeah!
ho!

[you're living in a fantasy world]
[You can't go on like this, girl]
[I made an investment]

I paid my money
[I paid my money]
and I'm gonna see all the movie
I paid my money
[I paid my money]
and I'm gonna see all the movie

and it's gonna be good
[it's gonna be good!]
and I'm telling you people
it's gonna be real good,
'cause I paid my money
[I paid my money]
I paid my money
[I paid!]

[I paid!]
I paid
[I paid!]
I paid
[I paid!]
I paid

I paid my money
I paid my money
I paid my money
and I saw it all
