I know you  
You think I don't but I do  
I've been listening  
And I don't forget  
So I can do this  
I can pass the test  
You went to school in chicago  
Your moms maiden name is dupree  
Your favorite actor is deniro  
Your birthday's 03/08/83

C-h-i-c-a-g-o  
D-u-p-r-e-e  
D-e-n-i-r-o

I know you  
You think it's weird but it's not  
Your all looking at it all upside-down  
I actually means I really love you  
You used to have a dog called montey  
Who only drank chardonnay  
Your sister's pet name is ceecee  
You have a thing for david blane

M-o-n-t-e-y  
C-h-a-r-d-o-n-n-a-y  
C-e-e-c-e-e

I know you  
I know you  
You think I'm blind but I'm not  
I've been watching and what I have noticed  
Is distraction and bordon and vacancy  
I know your favorite dish

I know your favorite band  
Polyphonic s-p-r-e-e

You spent a year in barcelona  
B-a-r-c-e-l-o-n-a

That assholes name is anthony

Turns out you never went to t-u-l-s-a  
To see your old roommate j-a-n-e  
I think my middle name is s-u-c-k-e-r  
And I was born yesterday

I don't know you  
I thought I did but I don't  
I wasn't listening  
Not to the right things  
One day I won't even remember your face
