Everyone gather round now  
Sing us a song  
Just in case by tomorrow  
It happens he's gone

For two weeks and seven days  
Our fair foreign friend  
I have this feeling  
We might never see Steven again

But We thought he was gone  
Yet he's come back again  
Last week it was funny  
Now the jokes wearing thin  
'cause everyone knows now  
That every night now  
Will be Steven's last night in town

He's charmed everyone here  
Except Tamara Easter  
Who later revealed to him  
Her innermost secrets  
Won us over with stories  
About Linda McCartney  
Lost points with the ladies  
For saying he couldn't love a  
Woman with cellulite

But We thought he was gone  
Yet he's come back again  
Last week it was funny  
Now the jokes wearing thin  
'cause everyone knows now  
That every night now  
Will be Steven's last night in town

We were talking 'bout something  
Seems like was funny  
Then Steven got quiet  
I think Steven was mad  
Maybe he wasn't mad  
But we felt really strange in

The moment  
But the moment was past  
And forgotten about

But we thought he was gone  
Yet he's come back again  
Last week it was funny  
And now the jokes wearing thin  
'cause everyone knows now  
That every night now  
Will be Steven's last night in town
