I heard you on my wireless back in fifty two  
Lying awake intently tuning in on you  
If i were young it didn't stop you coming through

Oh-a oh

They took the credit for your second symphony  
Rewritten by machine all new technology,  
And now i understand the problems you can see

Oh-a oh

I met your children  
Oh-a oh

What did you tell them?  
Video killed the radio star  
Video killed the radio star

Pictures came and broke your heart  
Oh-a-a-a oh

And now we meet in an abandoned studio  
We hear the playback and it seems so long ago  
And you remember the jingles used to go  
Oh-a oh  
You were the first one  
Oh-a oh  
Maybe the last one

Video killed the radio star  
Video killed the radio star  
In my mind and in my car, we can't rewind we've gone  
to far  
Oh-a-aho oh  
Oh-a-aho oh

Video killed the radio star  
Video killed the radio star

In my mind and in my car, we can't rewind we've gone  
to far

Pictures came and broke your heart, put all the blame  
on vtr

You are the radio star  
You are the radio star

Video killed the radio star  
Video killed the radio star  
Video killed the radio star  
Video killed the radio star

You are the radio star  
Video killed the radio star  
Video killed the radio star

You are the radio star  
Video killed the radio star
