Corpus.....Christi

Corpus.....Christi

Corpus.....Christi

Bountiful, Bountiful

In the summer oh

Bountiful i need you more

In the summer oh

At your bedside

At your bed

With the patchwork in your head

Corpus Christi now you've missed thee

long ago

Pour the kettle

mother settles

for the show

High Beretta never better

Come behold oh

Skin yourself skin yourself

In the summer well

Skin yourself within your spell in the sun well

At your bedside

At your bed

With the past year

Over there

Corpus Christi now you've missed thee

long ago

Pour the kettle

mother settles

for the show

High Beretta never better

Come behold oh

Corpus Christi

Corpus Christi

Corpus Christi

Corpus Christi

Corpus Christi

Christi, Christi, Christi, Christi, Christi, Christi

Better better veggie more

In the summer oh

Better better veggie more

In the summer oh

At your bedside

at your bed

With the patchwork in your head

Corpus Christi now you've missed thee

long ago

Boil the kettle

mother settles

for the show

High Beretta never better

Come behold oh

Corpus Christi
