I believe in harmony  
I believe in Christmas Eve  
Free for all your happiness  
And no one's living on their wits

One so kind and one so wise  
One so kind throughout your life  
Fill yourself with dreams  
Fill yourself with dreams  
Come fill yourself with dreams

I believed in destiny  
I believed your trust was free  
Free for all happiness  
And no one's living with regret

One so kind and one so wise  
One so kind throughout your life  
Fill yourself with dreams  
Fill yourself with dreams  
Come fill yourself with dreams

Oh and now we know  
No one ever told  
Now you can be bold

And I believed in solitude  
I believed till there was you  
Free for all your happiness  
And no one's living on their wits

One so kind and one so wise  
One so kind throughout your life  
Fill yourself with dreams  
Fill yourself with dreams  
Come fill yourself with dreams

Harmony and no dilemmas  
Harmony and no dilemmas  
Harmony and no dilemmas  
[Incomprehensible]
